A.-- They seperated, and she left him. They both lived at a certain place and I heard them both say that she deserted him, and I know that she has not lived with him for at least five years. So far as I know i tis no fault of his that they have not lived together. I heard her say that she never intended to live with him any more, and she gave no reason for not doing so.

Q.4.-- State whether or not they last lived and cohabited together in this County?

A.-- Yes what time they lived together they lived in Lee County.

And further this deponent saith not.

A.-- I know they have not been living together for five years or more and I have heard that she deserted and abandoned him. I never did hear her say anything about it, but I heard him say that she deserted him and that he would live with her if she would stay with him.

They last lived together in this County.
